## OUTSTANDING IRISH COFFEE®

### by Chef David Everett

#### Ingredients

2 Tbsp      Fresh Whipped Cream  
1 oz.        Bushmill's Irish Whiskey  
1 oz.        Irish Mist Liqueur  
1/2 oz.      *illy* Liqueur (or Tia Maria or Kahlua if you must)  
6 oz.        Freshly Brewed *illy* Coffee

#### Directions

Really?

Okay. Brew coffee. Add whiskey & liqueurs. Top with whipped cream. Drink. Repeat.

NOTE: Irish Mist is a great liqueur that doesn't get nearly enough credit. At least during the winter you have no excuse to leave it gathering dust in the back of your cabinet. Enjoy!
